WINEMAKER'S NOTES:

Vibrant and bright aromas of guava, green kiwi, star fruit, and freshly squeezed lime juice. The palate is bright and zippy with precise acid and sweet lime on the finish.

GROWING SEASON:

The year began with abundant rainfall. Spring weather was mild, resulting in extended flowering in some areas with little shatter. Vines were vigorous thanks to the winter rains. A freak hail storm passed through quickly in June causing isolated damage. The early summer was cool and mild allowing gradual ripening and acid development. The Sauvignon Blanc was picked early prior to mid season heat spells.
