NOTES: *Rooted in the dusty dirt of the small, grape-growing town of Rutherford, we produced a hearty red wine that will make you question why you ever doubted this noble grape in the first place. Plush aromatics of blackberry and violet give up to a mouthful of iron-rich dark, fruit flavors and soft acids.*

*Gather up a group of friends, light the fire-pit and grill up some BBQ pork-ribs. Maybe add some juniper berries and a touch heat to the glaze. Some chili-lime succotash of grilled corn, sweet onions, cherry tomatoes on the side, will make this bottle sing.*
