NOTES: *Planted at approximately 800+ feet on the Mayacamas ridge and co-fermented with a touch of head-trained, bench land Petite Sirah, our first Sangiovese is a blend of new world fruit and old world charm. Strawberry incense, mint and white pepper. Produced in offensively, limited quantities. Beware, you may become addicted.*

*This is one of those red wines that will go with almost anything. Quail, duck, goose or even a small chicken (poussin if you will). Pluck, truss and pan roast. Just make sure to offset the fruity, spicy profile of the wine with loads of savory herbs.*
