WINEMAKER'S COMMENTS:

The nose shows aromas of black cherry and blueberry, with highlights of potpourri, dried flowers and vanilla bean. The palate is bright with red fruit, great acid and finishes with a touch of dark chocolate covered blueberries.

GROWING SEASON:

The 2014 vintage in California was one of the warmest and driest vintages on record. A mild spring saw no frost during bud break and a strong, early fruit set in the vineyard. Warm sunny days through summer with no threat of rain allowed us to harvest a beautiful crop in early weeks of August.
